

New Zealand Retirement Trust Withdrawing Funds

In this pack you'll find information on how to withdraw funds from your New Zealand Retirement Trust (NZRT) account.

How do I apply for a withdrawal?

- Complete the NZRT withdrawal form
- Collect and send us all of the documents in the checklist below

I have transferred UK pension funds into NZRT

If you've transferred any UK sourced pension funds into a Qualifying Recognised Overseas Pension Scheme (QROPS) account within NZRT, **please talk to your Adviser and request a QROPS Withdrawal form** as additional rules and restrictions may apply.

How much can I withdraw?

- Partial withdrawal minimum is \$500
- Regular withdrawal minimum is \$250

Please check your member booklet as the minimum amounts and any withdrawal restrictions may vary for your plan.

What if I'm leaving my employer?

When you leave your employer, you don't need to withdraw from NZRT; in most cases we can transfer your membership to My Super.

My Super is your own personal plan within NZRT that allows you to continue to save for your retirement.

If you do wish to withdraw from NZRT, your savings will be paid once your employer has completed a leaving employment form and the final contributions have been received.

Important information

Conditions and fees

If your NZRT membership is through an employer plan, please check your member booklet for any conditions that apply.

You may not be able to withdraw all your funds. Please contact your adviser for further details.

A disclosure statement is available from your adviser free of charge.

Minimum balance required

In the event that a withdrawal results in your account balance falling below \$1,000, we may treat this as a full withdrawal and your membership in the NZRT will end.

PIE tax

We may collect Portfolio Investment Entity (PIE) tax when your funds are withdrawn. Please ensure your correct Prescribed Investor Rate (PIR) is indicated on the withdrawal form. Visit amp.co.nz/pie or ird.govt.nz to help determine your PIR.

Bank account

We will only make payments in New Zealand dollars to a New Zealand or international bank account held in your name (either individually or jointly).

Identification requirements

We are required by law to verify your identity and current residential address before processing a withdrawal. This is a requirement of the Anti-Money Laundering and Counter Financing of Terrorism Act 2009.

You can confirm your identity and address by sending us certified/verified photocopies of the original documents as outlined in section (d) of the withdrawal form.

If you have provided certified identity documents and proof of address to AMP after **30 June 2013** (and you are using the same bank account) you don't need to provide them again.

Please read the withdrawal form and information sheet carefully.

1. Fill out the withdrawal form (the form can be filled on screen by typing directly into the pdf),
2. Ensure all items in the checklist have been satisfied,
3. **Print** (we cannot accept electronic documents), **sign** and **post** your completed original form, plus all the supporting documents to:
