These returns should be read in conjunction with the notes below:

The returns stated represent in each case and for each fund, the percentage change in the unit price adjusted for Portfolio Investment Entity ("PIE") tax credits over the period.

These are not necessarily the returns individual investors will receive as this will depend on the prices at which units are purchased and sold, the dates of these transactions and any additional contributions or withdrawals made during the period.

Past performance is not indicative of future performance and is not guaranteed by any party.

Returns are after the annual management fee, but before PIE tax is deducted at the investor's Prescribed Investor Rate. No allowance has been made for any entry fees, portfolio servicing fees, administration fees or advice fees (if applicable).
